FOSS apalooza

FRIDAY · 09:00-17:00

29 JAN 2027

Brussels

THE DAY BEFORE FOSDEM

SPONSORSHIP PROSPECTUS

BACK THE WHOLE SUPPLY CHAIN.

One day, multiple stages, the whole software supply chain: an open source conference for everyone who builds, maintains, secures, ships, and uses open source.

Talks and panels cover knowing what's in your code, securing it, proving compliance, preparing for the EU Cyber Resilience Act, and building inclusive communities.

Upstream, downstream, all together now.

WHY SPONSOR

Support the community

Funding the event makes your support of open source visible and impactful

Reach the whole chain

Maintainers, security teams, compliance leads, users, and more all at one event

Help more attend the event

Your sponsorship enables more maintainers and contributors at the event

WHO YOU'LL MEET

- Maintainers
- Users
- Security professionals
- SBOM and compliance practitioners
- Standards contributors
- Cybersecurity policymakers
- Newcomers
